

Singathon Songsheet

Any old iron any old iron any any old, old iron?

You look neat - talk about a treat,
You look dapper from your napper to your feet.
Dressed in style, brand new tile,
And your father's old green tie on,
But I wouldn't give you tuppence for your old watch chain,
Old iron, old iron?"

When you walk through a storm

Hold your head up high
And don't be afraid of the dark

At the end of the storm
Is a golden sky
And the sweet silver song of the lark

Walk on through the wind
Walk on through the rain
Though your dreams be tossed and blown

Walk on walk on with hope in your heart
And you'll never walk alone
You'll never walk alone

When marimba rhythms start to play

Dance with me, make me sway
Like a lazy ocean hugs the shore
Hold me close, sway me more

Like a flower bending in the breeze
Bend with me, sway with ease
When we dance you have a way with me
Stay with me, sway with me

Other dancers may be on the floor
Dear, but my eyes will see only you
Only you have that magic technique
When we sway I go weak

I can hear the sounds of violins
Long before it begins
Make me thrill as only you know how
Sway me smooth, sway me now

Sway me, make me
Thrill me, hold me
Bend me, ease me
You have a way with me

Sway with me
Sway (sway) (Sway)

Other dancers may be on the floor
Dear, but my eyes will see only you
Only you have that magic technique
When we sway I go weak
I go weak

I can hear the sounds of violins
Long before it begins
Make me thrill as only you know how
Sway me smooth, sway me now
Make me thrill as only you know how

Sway me smooth, sway me now
Make me thrill as only you know how
Sway me smooth, sway me now
Sway me
Sway me
Sway me now

Michael row the boat ashore,

alleluia,
Michael row the boat ashore,
alleluia,

Sister help to trim the sail,
alleluia
Sister help to trim the sail,
alleluia

River Jordan's deep and wide,
alleluia,
milk and honey on the other side
alleluia

Somewhere over the rainbow

Way up high,
There's a land that I heard of
Once in a lullaby.

Somewhere over the rainbow
Skies are blue,
And the dreams that you dare to dream
Really do come true.

Someday I'll wish upon a star
And wake up where the clouds are far
Behind me.
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me.

Somewhere over the rainbow
Bluebirds fly.
Birds fly over the rainbow.
Why then, oh why can't I?

If happy little bluebirds fly
Beyond the rainbow
Why, oh why can't I?

Da Positive

People look around and see what you can see
me and you should live together in harmony
we want the positivity
no more negativity
(Repeat)

We need to get your spirits high
we need your harmony and vibes
(Repeat)

Sometimes you feel like you wana fly away

with all these vibes you should stay
(Repeat)

Please don't frown and let anybody get you down
hold your head up high cause there's no need to cry
hold your head up high!

People look around and see what you can see
me and you should live together in harmony
we want the positivity
no more negativity
(Repeat)

We need to get your spirits high
we need your harmony and vibes
we need to get your spirits high
we need your harmony and vibes

Freedom, Freedom, Freedom, Freedom

Freedom, freedom, freedom, freedom
Sometimes I feel like a motherless child
Sometimes I feel like a motherless child
Sometimes I feel like a motherless child
A long way from home.

Sound Of Music Selection

The hills are alive with the sound of music

The songs they have sung for a thousand years
The hills fill my heart with the sound of music
My heart wants to sing every song it hears
My heart wants to beat like the wings of the birds
That rise from the lake to the trees
My heart wants to sigh like the chimes
That fly from a church on a breeze
To laugh like a brook when it trips
And falls over stone on its way
To sing through the night
Like a lark who is learning to pray
I'll go to the hills when my heart is lonely
I know I will hear what I've heard before
My heart will be blessed with the sound of music
And I'll sing once more

Doe, a deer, a female deer

Ray, a drop of golden sun
Me, a name I call myself
Far, a long long way to run
Sew, a needle pulling thread
La, a note to follow sew
Tea, I drink with jam and bread
That will bring us back to dough
- Do re mi fa so la ti do, so do

Raindrops on roses and whiskers on kittens

Bright copper kettles and warm woollen mittens
Brown paper packages tied up with strings
These are a few of my favorite things

Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver white winters that melt into Springs
These are a few of my favorite things

When the dog bites
When the bee stings
When I'm feeling sad
I simply remember my favorite things
And then I don't feel so bad.

Climb every mountain, search high and low
Follow every byway, every path you know.
Climb every mountain, ford every stream,
Follow every rainbow, 'til you find your dream!

A dream that will need
all the love you can give,
Every day of your life
for as long as you live.
Climb every mountain, ford every stream,
Follow every rainbow, 'til you find your dream!

I will follow Him.

Follow Him wherever He may go,
And near Him, I always will be
For nothing can keep me away,
He is my destiny.

I will follow Him,
Ever since He touched my heart I knew,
There isn't an ocean too deep,
A mountain so high it can keep,
Keep me away, away from His love.

I love Him, I love Him, I love Him,
And where He goes,
I'll follow, I'll follow, I'll follow.

I will follow Him,
Follow Him wherever He may go,
There isn't an ocean too deep,
A mountain so high it can keep,
Keep me away, away from His love...

There isn't an ocean too deep,
A mountain so high it can keep,
Keep me away, away from His love

Amazing Grace ! How sweet the sound

That saved a wretch like me.
I once was lost, but now am found,
Was blind, but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieved.
How precious did that grace appear,
The hour I first believed.

Through many dangers, toils and snares,
I have already come.
'Tis grace that brought me safe thus far,
And grace will lead me home.

Yes, when this heart and flesh shall fail,

And mortal life shall cease,
I shall possess within the veil
A life of joy and peace.

When I find myself in times of trouble, mother Mary comes to me,

speaking words of wisdom, let it be.
And in my hour of darkness she is standing right in front of me,
speaking words of wisdom, let it be.

Let it be, let it be, let it be, let it be.
Whisper words of wisdom, let it be.

And when the broken hearted people living in the world agree,
there will be an answer, let it be.
For though they may be parted there is still a chance that they will see,
there will be an answer. let it be.

Let it be, let it be,

And when the night is cloudy, there is still a light, that shines on me,
shine until tomorrow, let it be.
I wake up to the sound of music, mother Mary comes to me,
speaking words of wisdom, let it be.

Let it be, let it be,

Together, together, together everyone

Together, together, come on lets have some fun
Together, we're there for each other every time
Together together come on lets do this right

Here and now its time for celebration
I finally figured it out (yeah yeah)
That all our dreams have no limitations
That's what its all about

Everyone is special in their own way
We make each other strong (each other strong)
Were not the same
Were different in a good way
Together's where we belong

CHORUS:

**We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together**

**And it shows
When we stand
Hand in hand
Make our dreams come true**

Together, together, together everyone
Together, together, come on lets have some fun
Together, were there for each other every time
Together together come on lets do this right

We're all here
and speaking out with one voice
we're going to rock the house (rock the house)
the party's on now everybody make some noise
come on scream and shout

We've arrived because we stuck together
Champions one and all

CHORUS:

**We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come true**

**We're all in this together
When we reach
We can fly
Know inside
We can make it
We're all in this together
Once we see
There's a chance
That we have
And we take it**
